## School Supply List 2021-2022

### All Students must have the following:

- Personal Laptop or Chromebook

In the past, PAA required purchase of machines from us. This is no longer the case so please ensure your child has a personal computer for each class every day. If finances make this difficult, please let us know so we can assist in ensuring your child has the tools needed to succeed at PAA. While it is not required, I would suggest **an extra charge cable** so one can be left at school and the other at home. Charge cables are the one thing we lose more than anything else!!

*A smartphone is not the same as a laptop. Please don't expect to use a smartphone as your computer.*

- 1 large Binder
- Ruled Paper
- Mechanical Pencils (if getting sharpening pencils, please bring a sharpener as well)
- Erasers
- Pens
- Highlighters
- TI-83/84 or Ti-83/84Plus Graphing Calculator
- Headphones that work with your laptop/Chromebook

**Locks for the lockers will be provided by the school. Please do not use personal locks.**

### Elective Class Supply lists

#### **Video Production**

- USB Drive with at least 5GB of memory

#### **Physical Education**

- Gym clothes (that are washed regularly)
- Non-Marking shoes (please protect our new floors!)
- Towel/Soap for shower as needed

#### **Math 10**

- Ruler with centimeters and inches

#### **Art 10/20/30**

- While we have art tools here, if you have your own that you prefer to use, (pencils, paintbrushes, paints) please bring them

#### **Foods Class**

- Apron
