

## **PARKVIEW ADVENTIST ACADEMY - LACOMBE, AB**

### **Math Teacher ~ Part -Time Position (0.60FTE) 2025-2026 School Year**

Parkview Adventist Academy is hiring a Part-time (0.6FTE) High School Math Teacher starting August 2025 until June 2026. We are a vibrant and growing multicultural Seventh-Day Adventist High School located in Lacombe, Alberta. As part of a larger team we are looking for an independent yet collaborative individual that can take initiative and be flexible in working together with others on a larger scale.

#### **Qualifications and duties:**

- A valid Alberta Teaching Certificate is required;
- SDA Certification (or eligible for);
- Competence in the interpreting and implementing High School Math 10C, 10-3, & 20-3 Alberta Program of Studies;
- Comprehensive knowledge and experience teaching Division IV is considered an asset;
- Provide quality instructional programming;
- Ability to modify and accommodate resources to meet students' needs;
- Ability to work closely with parents, educational assistants, and other education professionals;
- Strong interpersonal and communication skills;
- Strong planning and organizational skills;
- A personal commitment to extracurricular involvement;
- A positive attitude and commitment to work as part of a Professional Learning Community;
- A sincere dedication and commitment to the advancement of Adventist Education.

#### **Details:**

- Part-Time position commences **August 2025 to June 2026**
- Remittance will be calculated based on experience, education, and reflect the 25-26 teacher salary scale.
- As a condition of employment, new employees are required to provide a current **Vulnerable Sector Check and Intervention Record Check** (prior to starting employment).

**Deadline for applications:** Until position is filled

**Please include a cover letter, resume, and two references.**
